

# HIGHWAY HEAVY CARPENTER

## Rochester area training

### About the Program

- Free five-week program. Starter tool set included after completing the program
- Learn about the construction and trades industry, specifically highway heavy carpenter work
- Gain the essential skills to get you started as an in-demand highway heavy carpenter
- Work directly with the carpentry union, your assigned career planner, and connect with industry leaders to network for job placement
- Earn OSHA 10 certification and receive First Aid/CPR/AED training
- Highway heavy carpenters earn family-sustaining wages plus great benefits - medical/dental/life insurance, pension, and training
